

Slappy's Origin

Made Up Story

By Sebastian Parra

So there I was, watching the scariest movie of all time when my mom came into the room. "Are you sure you don't want to come? You know it is your birthday today too" mom said. "No mom, I'm 11, I don't think I should be having birthday parties anymore or going trick-or-treating" I said while not taking my eyes off the TV. "Oh come on Ivan" mom said while holding my little brother, named Billy who is 6 and dressed in a dog costume for Halloween. "Okay" mom said, " See you after we go trick-or-treating." Mom left my present on the kitchen table and I saw that it had a tag saying, To: Ivan. I looked at mom as she walked out the door and she said "Oh and don't open the present and please don't watch those movies. They scare Billy" mom said while closing the door. Then I turned off the TV and stared at the present.

After about 5 minutes, all I could think of was the present. That's when my brother, Zach, who is 17, came in and got some cereal. "Where is mom and Billy?" Zach said. "They're trick-or-treating." I said. " Oh, so no one is home." said Zach. " Yes, no one is home" I said. He sat down next to me. We both looked at the box. Suddenly, the box moved a little while making a one of the weirdest sound. It sounded like a squeak. When it moved, me and my brother jumped.

" D-did you hear that." I said. " Yeah " Zach said staring at the box. " You have to open that " Zach said. "No I don't want to open it" I said. "Oh well, I guess you don't want the WIFI password." Zach said. My eyes widen. "You're really going to give me the WIFI password!" I said "Yes I will give you the WIFI password." I looked to see if he had his fingers crossed and they weren't. I hesitated then I said "Okay, I'll do it." Zach smiled. He put the cereal down on the table and got his phone and he was going to record it, like always. When I was about to open it I heard the door. " Oh, no it's mom" I said.

"Acted normal!" Zach cried. "Wow you guys came home early" I said. "Yea, most of the people were sleeping" mom said. "Oh, cool " Zach said. "Hey," I said."Can I have some candy?" Mom replied, "No because you were not trick-or-treating." "Here Ivan you can have this candy" Billy said while putting a candy onto the couch. Cute is't he.

"Thanks Billy" I said while putting the candy in my mouth. "Hey Billy can I have..." Zach didn't finish his sentence because mom interrupted him saying, "You are not going to eat candy right now, okay Zach!" "Okay mom" Zach said sadly. I looked at the present then mom. Mom sighed and said "Okay Ivan you can open your present" Thanks mom. "Yes thanks mom" I said. I unwrapped the paper and saw a doll. "What is this?" I said. "It's a talking dummy" she said. "Who are you calling dummy, dummy" a voice said.

I looked at that dummy. "Did it talk" Zach said. Mom sighed "I know it's a prank" she said "It wasn't me" I said "It talked". "I see that you found the hole in it, that's how you control it." mom said. "No it was me" I said. "Yeah listen to him" the voice said. Mom and Zach looked at me. "It's not me" I said. I put the dummy on the table. "Okay now insult him" I said. "Look mom" Mom said "I am not falling for your tricks" she said. "Stupid, toy doll thing, dummy." Zach said. Suddenly, the doll stood up and said "You should apologize" I watched the dummy move its mouth while talking "Or what?" Zach said. "You're making this turn into your worst nightmare" he said in a high voice. "Billy!" mom said "Go to your room and lock the door stay in there and be safe." Billy ran to his room. "My name is Slappy" Slappy said while the lights turned off. "Ow" Zach said. Then the lights turned on. I looked at Zach and there was a little bright red hand on Zach's cheek!

I quickly blinked a few times. "Ha" Slappy said and he was gone. "Oh my gosh" mom said. "Zach what happen to you?" "That evil dummy slapped me" I said. "Where is that evil dummy" mom said. "He disappeared" I said. We looked everywhere but he disappeared. Then we heard Billy cry. "Billy" mom said. There was no reply all there was was silence. We run into the room and and we saw Slappy holding Billy. "Let him go" mom said. "Never" Slappy said "I only have a few more minutes until the sun rises. I knew that he was going to do something to Billy so I act fast. I grabbed a bag and jumped over Slappy. I put the bag over him and I tied the bag up in a knot. "Mom, mom I got him!" I said in excitement. Billy hugged me and said "Thank you Ivan. You are my best brother. Mom and Zach hugged me too. I was happy because my birthday wish came true.

The next day, we had a yard sale and I decided to sale the evil dummy, Slappy. Mom and Billy watch the yard sale while me and Zach help clean inside. The gummy was sold to a man named Mr. Black and R.L. Stine. He said that Slappy will make great stories. I never saw that evil dummy again. I wanted to make it up to Billy because I didn't go trick-or-treating with him, so I asked mom if I could go with him on Halloween. She said "Yes and Billy would like it".

The Next Halloween

"Ivan hurry up, I have to make food for your big brother and your little brother too. You also, need to go with Billy for Halloween." My mom said. "Okay mom" We are at the library and sometimes you can reach at the back of the shelf and you can find a very good book, some things with toys. I reached the back of the shelf and grabbed a book. I took it out and I saw a book named Night Of The Living Dummy . It sounded familiar. It looked interesting, so I took the book out of the bookshelf and I saw the evil dummy, Slappy! On a book? I saw that it had a lock on it. Then I saw at the bottom, it said that the Author was R.L. Stine! I thought I was being hunted I had to show mom. I ran to mom and I showed her the book. "Oh great you-" she looked at the book. She didn't have time to finish her sentence because Ivan. "Oh" mom said. "Put that book back where you found it. We are leaving" .

Suddenly, the lights went out. Almost everyone screamed. The only light was the flashing of light coming from the book. Everyone was staring at me and my mom. The lights come on and everyone was freaking out. Suddenly a man in can in with glasses came in. The man was walking to us. He said "Hello, my name is R.L. Stine and I am the owner of this book" . He put his hand out in front of me" Give me the book." he said. "Ivan, give R.L Stine the boo-" I ignored her. "Why?" I said to R.L Stine. " you don't own it" . "Yes I do own it. I wrote it" he said madly. "R.L. Stine" I said. "Why did you write a book about Slappy ,the evil dummy, that we sold it to you?" "Listen to me, Slappy is a curse. The day I go him, he made me right a story about him. I felt something about him, that to use the story against him." He said so fast I couldn't catch up. "Now give me the book" He said. "But" I said " What happened to Slappy " R.L. Stine sighed" He is trapped in the book, but I can't find him in the book, so I think that he is go after you." He hesitated "That book will help you. If you see him then open the book and you'll see what happens " .

I hesitated, "Okay, thank you, but didn't you what the book?" I said. You welcome and no you need it more than me . R.L Stine. He smiled then he walked away. I thought then I said "R.L Stine." he turned awarded "Keep making books. Use your imagination". He smiled. "Thanks I'll keep in mind" He said. Then he walked out of the library. "Ivan you did the right thing" My mom said. "Or did he do the right thing" I said. "Yeah. she

said "You want to go home" mom said. Yeah I think I had enough with books today" I said. My mom and me walked out of the library and walked home. When I was walking I though did he or I do the right thing or did he curse my. It was a mystery. When we got home, we saw Zach and Billy watching a movie. Mom smiled. "Did you guys eat?" " No" Zach said. "Billy you ready for Halloween" I said. "Yes!" he yelled. "Oh, Ivan can you take out the trash for me" She said. "Okay mom" I said I go the trash,book, and went outside. I was walking to the trash and I felt scared.

I opened the trash can and I saw something jump out and grab me! "You don't no What I've been through it said." I knew who it was,it was Slappy. "Get off me dummy!" I said. I Graded him and threw him on the ground. Then I got the book and opened it. "No, no" Slappy said. Flashes of light came out and graded Slappy. It pulled Slappy into the book and I could hear Slappy saying " I'll be in your nightmares" . Then I closed the book and dropped it. R.L. Stine was right I though he is a curse. I grade the book, and ran to my room. I graded a box with a lock. I put the book in the box and locked it. I took it outside and dipped it in the trash can. I couldn't believe it, I defeated Slappy. He wasn't defeated, but I didn't have to worry about him any more. "Ivan are you coming trick-or-treating?" I voice. I turned around I saw Billy wearing a wizard costume. "Uh-oh" I said. "Sorry" I said, "Lets go" I said. He smiled, I smiled back. We walked into the neighborhood and Tick-or-treated happily ever after.
